

## Algèbre 1

**Salle .....**

| N° | Nom              | Prénom           | Date de naissance | Obs     | Emargement |
|----|------------------|------------------|-------------------|---------|------------|
| 1  | Mimouni          | Leila            | 12/07/1997        | Endétté |            |
| 2  | Selka            | Selmene          | 04/04/2001        | MI      |            |
| 3  | Lagha            | Yacine           | 08/08/2003        | R,MI    |            |
| 4  | Belkhatir        | Hacen Nacerallah | 07/09/2002        | R,MI    |            |
| 5  | Cherif Benmoussa | Hamza            | 27/11/2003        | R,MI    |            |
| 6  | Naim             | Ilyas            | 22/08/2002        | R,MI    |            |
| 7  | Bensemmain       | Hichem           | 17/02/2004        | Endétté |            |
| 8  | Kada             | Rokia            | 22/10/1992        | R,MI    |            |
| 9  |                  |                  |                   |         |            |
| 10 |                  |                  |                   |         |            |
| 11 |                  |                  |                   |         |            |
| 12 |                  |                  |                   |         |            |
| 13 |                  |                  |                   |         |            |
| 14 |                  |                  |                   |         |            |
| 15 |                  |                  |                   |         |            |
| 16 |                  |                  |                   |         |            |
| 17 |                  |                  |                   |         |            |
| 18 |                  |                  |                   |         |            |
| 19 |                  |                  |                   |         |            |
| 20 |                  |                  |                   |         |            |
| 21 |                  |                  |                   |         |            |
| 22 |                  |                  |                   |         |            |
| 23 |                  |                  |                   |         |            |
| 24 |                  |                  |                   |         |            |
| 25 |                  |                  |                   |         |            |
| 26 |                  |                  |                   |         |            |
